

United States Postal Service

§ 955.3

2101 Wilson Boulevard, Suite 600, Arlington, VA 22201-3078.

(2) The Board consists of the Judicial Officer as Chairman, the Associate Judicial Officer as Vice Chairman, and the Administrative Judges of the Postal Service. All members of the Board shall be attorneys at law duly licensed by any state, commonwealth, territory, or the District of Columbia. In general, the appeals are assigned to a panel of at least three members of the Board. The decision of a majority of the panel constitutes the decision of the Board.

(c) *Decisions on questions of law.* When an appeal is taken pursuant to a Disputes Clause in a contract which limits appeals to disputes concerning questions of fact, the Board may, in its discretion, hear, consider, and decide all questions of law necessary for the complete adjudication of the issue. In the consideration of an appeal, should it appear that a claim is involved which is not cognizable under the terms of the contract, the Board may make findings of fact with respect to such a claim without expressing an opinion on the question of liability.

(d) *Board of contract appeals procedure*—(1) *Rules.* Appeals referred to the Board are handled in accordance with the rules of the Board.

(2) *Administration and interpretation of rules.* Emphasis is placed upon the sound administration of these rules in specific cases, because it is impracticable to articulate a rule to fit every possible circumstance which may be encountered. These rules will be interpreted so as to secure a just and inexpensive determination of appeals without unnecessary delay.

(3) *Preliminary procedures.* Preliminary procedures are available to encourage full disclosure of relevant and material facts, and to discourage unwarranted surprise.

(4) *Time, computation, and extensions.*
(i) All time limitations specified for various procedural actions are computed as maximums, and are not to be fully exhausted if the action described can be accomplished in a lesser period. These time limitations are similarly eligible for extension in appropriate circumstances, on good cause shown.

(ii) Except as otherwise provided by law, in computing any period of time prescribed by these rules or by any order of the Board, the day of the event from which the designated period of time begins to run shall not be included, but the last day of the period shall be included unless it is a Saturday, Sunday, or a legal holiday in which event the period shall run to the end of the next business day.

(iii) Requests for extensions of time from either party shall be made in writing stating good cause therefor.

(5) *Place of filings.* Unless the Board otherwise directs, all notices of appeal, pleadings and other communications shall be filed with the Recorder of the Board at its office at 2101 Wilson Boulevard, Suite 600, Arlington, VA 22201-3078.

(e) *Representation of parties.* Whenever reference is made to contractor, appellant, contracting officer, respondent and parties, this shall include respective counsel for the parties, as soon as appropriate notices of appearance have been filed with the Board.
